CLERK: Mr. President, there is now another motion pending offered by Senator Kelly. Well, Mr. President, it is to amend the Cavanaugh amendment, page 5, line 9....I don't think this applied to that amendment or anything else.

SENATOR KELLY: Mr. President, Mr. Clerk, Senator Cavanaugh asked my indulgence to not amend his amendment. That should now be offered as an amendment to 819.

CLERK: Okay, Mr. President, then the motion is still before us to amend on page 5, line 9 strike "for retirement or retainer" on line 10 strike "benefits".

PRESIDENT: The Chair recognizes Senator Kelly.

SENATOR KELLY: Mr. President, colleagues, this removes those people that are on military pensions having nothing to do whatsoever with disability. Military disability is not included in this. CLERK: 26 ayes, 0 nays, Mr. President.

PRESIDENT: Motion carries. The amendment is adopted.

CLERK: Mr. President, I have no further amendments or motions pending on the bill.

PRESIDENT: Senator Mills.
